

Custom AI automation for small businesses — built in four weeks, *yours to keep*.

I design and ship AI systems that replace the repetitive work eating your team's week — intake, scheduling, follow-up, document review. Flat fee, fixed timeline, full source code and documentation delivered at handoff.

ENGAGEMENT

4 weeks

Scoped, shipped, supported

INVESTMENT

**\$1,500–
\$4,000**

Flat rate. No retainer.

OWNERSHIP

Yours, 100%

Code, prompts, infra — handed over
